About Us

NeoArt Design and Dekor13, are innovative design and manufacturing companies specializing in festive and seasonal decoration, end-to-end event organization and implementation, as well as LED indoor and outdoor illumination since 2019. Our factory is well equipped with advanced production and testing facilities.

We take pride in offering superior quality products at reasonable prices, maintaining a stellar reputation, implementing effective management practices, and providing prompt services. All our products adhere to the highest industry standards and are manufactured by our certified workers, supported by experienced technicians, a dedicated design and sales team, and a rigorous quality control system.

International Exhibition Participation as NeoArt Design

 **messe frankfurt**
christmasworld ChristmasWorld 2024 at Messe Frankfurt

Welcome to NeoArt Design and Dekor13, where creativity meets innovation in the world of design and illumination. We take pride in our commitment to excellence and our participation in prestigious events such as ChristmasWorld 2024 at Messe Frankfurt.

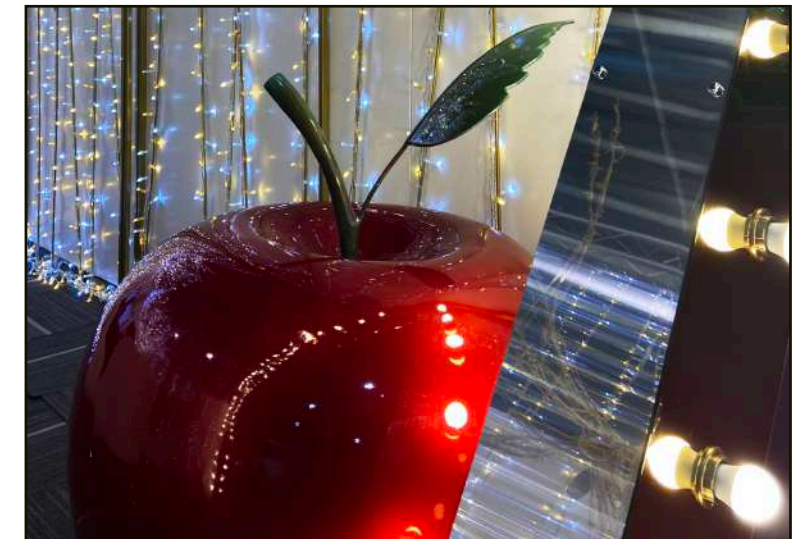

About ChristmasWorld:

ChristmasWorld, held annually at Messe Frankfurt, is the leading international trade fair for seasonal and festive decorations. It brings together exhibitors and visitors from around the globe to showcase and explore the latest trends, innovations, and designs in the world of festive decorations, Christmas ornaments, and seasonal products.

Our Participation:

At ChristmasWorld 2024, NeoArt Design proudly showcased our latest innovation, moving illuminated deer decor, as well as festive ornaments and lights. Our booth captivated visitors with an enchanting display of artistic creations, featuring a fusion of traditional craftsmanship and modern design elements.

Moreover, our participation in Christmas World 2024 underscores our commitment to sustainability and eco-conscious practices. We are dedicated to minimizing our environmental footprint by refurbishing old decor items and transforming them into fresh, newly themed decorations. Through our designs, we hope to inspire others to embrace a more environmentally responsible approach to decorating.
